**BEST WISHES FOR A JOYFUL HOLIDAY SEASON AND A HEALTHY AND PROSPEROUS NEW YEAR.**

To our valued BASF team members, resident contractors and families,

The COVID-19 pandemic and natural disasters have created new challenges for us all. With supply shortages, modified school schedules and closed businesses, we have all been greatly impacted.

While many are home with their families, BASF has personnel working both on- and off- site. Thank you all for your dedication to keeping our plant running during this crisis. We are impressed and proud of all of you. Not only have we adapted to this new normal, but we've done it with an excellent production record and most importantly, with a safety-focused mindset.

We are deeply thankful for you and your families who are working to support loved ones during these extraordinary times in our nation's history. Your devotion and support play a crucial role in the successful operation of this business, and we recognize your significant contributions in response to this crisis.

Because of you, our commitment to our local communities, schools and nonprofit agencies did not waiver. Thank you again for your dedication to BASF. Please remain diligent, focused and conscientious of the situation to safeguard yourself and others. Together, we will overcome this pandemic and come out stronger on the other side.

All our best,

The BASF Sparta Site Leadership Team
